

ABA: 71612223

Cb lobe

The image displays a coronal cross-section of a human brain. A specific region in the left cerebellar hemisphere is highlighted in a solid blue color. This region is located laterally and inferiorly within the cerebellum. The rest of the brain slice is shown in grayscale. A white crosshair is overlaid on the image, with the vertical line passing through the center of the brain and the horizontal line passing through the slice. The text 'ABA: 71612223' is positioned at the top left, and 'Cb lobe' is at the bottom left.
