

ABA: 71616139

Cb lobe

The image is a brain scan, likely a PET or SPECT scan, showing a cross-section of the brain. The brain tissue is represented by a blue color, indicating low activity. A small, localized area of high activity is visible in the lower-left quadrant of the brain, colored in yellow and red. This area is labeled 'Cb lobe' in the bottom-left corner. The text 'ABA: 71616139' is displayed in the top-left corner. The image is overlaid with a white grid.
