

ABA:71668371

S0

The image shows a cross-sectional view of a brain, likely from an MRI or PET scan. The brain is represented by a blue, textured shape against a black background. A prominent vertical line of high intensity (brighter blue/white) runs down the left side of the brain, indicating a region of abnormal activity or a lesion. The image is divided into four quadrants by a horizontal and a vertical white line. The text 'ABA:71668371' is in the top-left corner, and 'S0' is in the bottom-left corner.
