

ABA: 71763753

CA1

This fluorescence microscopy image displays a coronal section of a brain. The image is divided into four quadrants by a vertical and a horizontal white line. The left hemisphere shows a complex pattern of blue and yellow fluorescence, with a prominent yellow-orange region in the center. The right hemisphere is predominantly blue. The text 'ABA: 71763753' is located in the top left corner, and 'CA1' is in the bottom left corner.
