

ABA: 71764631

VMH

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The top-left quadrant shows a bright, elongated, yellow-green fluorescent structure, likely the VMH (ventral medial hypothalamus). The rest of the image is dark blue, indicating low fluorescence. The text 'ABA: 71764631' is in the top-left corner, and 'VMH' is in the bottom-left corner.
