

ABA: 72004450

VA/VL

A brain scan image, likely a PET or SPECT scan, showing a cross-section of the brain. The image is predominantly blue, indicating low activity, with several bright yellow and green spots indicating areas of increased activity. These spots are located in the left hemisphere (viewer's left). A white crosshair is overlaid on the image, with the vertical line passing through the center of the brain and the horizontal line passing through the middle of the image. The text 'ABA: 72004450' is in the top left corner, and 'VA/VL' is in the bottom left corner.
