

ABA: 73513582

VA/VL

The image is a brain scan, likely a PET or SPECT scan, showing a cross-section of the brain. The brain is represented by a blue silhouette against a black background. A color-coded region of interest is visible in the upper left quadrant, showing a gradient from blue to yellow to red, indicating varying levels of activity or concentration. The region is roughly oval-shaped and located in the upper left portion of the brain's cross-section. The text 'ABA: 73513582' is in the top left, and 'VA/VL' is in the bottom left. A white crosshair is centered on the image.
