

ABA: 73635973

VA/VL

A brain scan image, likely an axial slice, showing a blue-colored region of activation. The image is overlaid with a white crosshair. The activation is concentrated in the central part of the brain, specifically in the regions labeled VA/VL. The text 'ABA: 73635973' is visible in the top left corner, and 'VA/VL' is visible in the bottom left corner.
