

ABA:74357551

Hb

This image is a coronal brain scan, likely a PET or SPECT scan, showing a central bright spot (yellow/orange) indicating high activity or concentration. The surrounding brain tissue is shown in shades of blue, indicating lower activity. A white crosshair is overlaid on the image, centered on the bright spot. The text 'ABA:74357551' is in the top left corner, and 'Hb' is in the bottom left corner.
