

ABA:74512048

Pn

The image displays a brain scan, likely a PET or SPECT scan, showing a cross-section of a brain. The scan is color-coded, with blue representing lower intensity and yellow representing higher intensity. A vertical line and a horizontal line intersect at the center of the brain. The text 'ABA:74512048' is located in the top left corner, and 'Pn' is located in the bottom left corner. The scan shows a central region of high intensity (yellow) that tapers off towards the edges (blue).
