SPa ventral

This fluorescence microscopy image displays two large, roughly circular blue fluorescent regions against a black background. The regions are separated by a thin vertical gap. A vertical white line runs through the center of the image, and a horizontal white line runs across the middle, intersecting at the gap between the two blue regions. The text 'ABA:74579422' is located in the top left corner, and 'SPa ventral' is in the bottom left corner.
