CA1

This is a fluorescence microscopy image of a brain section. The image is divided into four quadrants by a vertical and a horizontal white line. The left half of the image shows a brain section with a blue background and several bright, localized spots of fluorescence. The right half of the image is mostly black, indicating a lack of fluorescence. The text 'ABA:74822607' is in the top left corner, and 'CA1' is in the bottom left corner.
