

ABA: 74822941

CA2/CA3

A fluorescence micrograph of a brain section, likely from a rodent, showing blue fluorescence. The image is divided into four quadrants by a white crosshair. The fluorescence is concentrated in the left half of the image, specifically in the CA2/CA3 region of the hippocampus. The right half of the image is mostly dark, indicating no fluorescence. The text 'ABA: 74822941' is in the top left, and 'CA2/CA3' is in the bottom left.
