

ABA:74881744

VPM/VPL

This figure shows an axial brain scan with a blue-colored region of activation. The activation is located in the posterior part of the brain, specifically in the VPM/VPL area. The image is divided into four quadrants by a vertical and a horizontal white line. The text 'ABA:74881744' is in the top-left corner, and 'VPM/VPL' is in the bottom-left corner.
