

ABA: 75931572

Pn

The image displays a brain scan with two hemispheres. The left hemisphere (viewer's left) shows several bright spots, indicating areas of high activity or concentration. The right hemisphere (viewer's right) is mostly dark blue, suggesting lower activity. A vertical line separates the two hemispheres, and a horizontal line is at the bottom. The text 'ABA: 75931572' is at the top left and 'Pn' is at the bottom left.
