

ABA: 76003522

VPM/VPL

A coronal brain slice is shown with a blue highlighted region in the posterior parietal cortex, specifically the area corresponding to the VPM/VPL. The brain is divided into four quadrants by a horizontal and a vertical white line. The blue region is located in the posterior half of the brain, spanning across the midline. The text 'ABA: 76003522' is in the top left, and 'VPM/VPL' is in the bottom left.
