

ABA:76081936

SCN

A blue brain scan image, possibly a PET or SPECT scan, showing a cross-section of a brain. The image is centered on a vertical and horizontal white line that intersect at the center. The text 'ABA:76081936' is located in the top left corner, and 'SCN' is in the bottom left corner. The brain tissue is represented by a blue color, with some areas appearing slightly brighter than others, indicating different levels of activity or density.
