

ABA:77414923

CA1

This image shows a fluorescence microscopy scan of a brain section. The brain tissue is represented by a blue silhouette against a black background. A vertical line and a horizontal line intersect at the center of the brain. In the lower-left quadrant, there is a bright, localized signal that transitions from blue to yellow and red, indicating a specific area of interest. The text 'ABA:77414923' is located in the top-left corner, and 'CA1' is in the bottom-left corner.
