ME

This image appears to be a brain scan, possibly a PET or SPECT scan, showing a cross-section of the brain. The image is divided into four quadrants by a white crosshair. The left hemisphere (viewer's left) shows a focal area of high intensity (red/yellow) in the central region, surrounded by blue and black areas. The right hemisphere (viewer's right) is mostly blue and black. The text 'ABA:77799023' is visible in the top left corner, and 'ME' is visible in the bottom left corner.
