

ABA:77869796

CA2/CA3

This is a fluorescence microscopy image of a brain section, likely from a rodent, showing the CA2/CA3 regions. The image is characterized by a blue background with bright, localized spots of yellow and green fluorescence. A white crosshair is overlaid on the image, with a vertical line passing through the center and a horizontal line intersecting it. The text 'ABA:77869796' is located in the top left corner, and 'CA2/CA3' is in the bottom left corner.
