SPa ventral

The image displays two side-by-side brain scans, likely from a rodent, showing ventral views. The scans are rendered in a blue color scale against a black background. Each scan shows a roughly circular brain shape with some internal structure visible. A vertical line separates the two scans, and a horizontal line runs across the middle of both. The text 'ABA: 79556618' is in the top left, and 'SPa ventral' is in the bottom left.
