

ABA: 80342061

SCN

The image displays a brain scan, likely an MRI, with a blue overlay on a dark background. The brain is shown in a coronal or axial view, split vertically by a thin white line. A horizontal white line also divides the image. In the top-left corner, the text 'ABA: 80342061' is visible. In the bottom-left corner, the text 'SCN' is visible. The blue area represents a specific region of interest or activation within the brain's structure.
